AS AMENDED 1-27-75

FILE NO. 506-74 ORDINANCE NO. 28-75

AMENDING SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING CHAPTER 33 THERETO, ESTABLISHING A COMMISSION ON THE STATUS OF WOMEN, PRESCRIBING THE DUTIES AND POWERS OF THE COMMISSION, AND AUTHORIZING THE COMMISSION TO TAKE ACTIONS NECESSARY TO IMPROVE THE STATUS OF WOMEN.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 33 is added to the San Francisco Administrative Code to read as follows:

CHAPTER 33.

Commission on the Status of Women

Sec. 33.1. Findings.

Because of tradition and prejudice, social, political, economic and educational restrictions on women through the years, women have been denied by virtue of their status as women, basic human rights resulting in inequities in economic, political, legal and social status. Despite obvious deprivations of opportunity to attain equality with men, women have made and continue to make substantial contributions in diverse areas of human activity and enterprise. Women have initiated movements for social and political emancipation, human welfare and world peace. The disadvantaged status of women is, however, inimical to the public welfare in that it prevents women from fully developing their individual potentials and from contributing fully to the cultural and economic life of the community. In view of the long tradition of according women an inferior status in society, nothing less than a concerted effort at the national, state and local levels will result in true equality of the sexes.

Sec. 33.2. Declaration of Policy.

It is the policy of the City and County of San Francisco to give every inhabitant of the City and County, woman or man, equal economic, political, social and educational opportunities and to give equal services and protection by public agencies. It is the policy of the City and County of San Francisco to keep the public informed on developments in the legal and social status of women; to develop and

distribute pertinent information and recommendations to the City and County agencies and to the general public; to provide expert advice and assistance to the offices, agencies, boards, departments, and employees of the City and County in undertaking efforts to assure equality in the treatment of the sexes; and to officially encourage private persons and groups to take steps to remove the barriers in the struggle of both women and men for equal opportunities resulting from tradition and prejudice as well as the educational, economic, political, legal and social restrictions of the past.

Sec. 33.3. Establishment of Commission; Appointment of Commissioners; Commissioner Appointment List; Terms of Office; Removal of Commissioners; Chairperson; Compensation; Coordinator; Appropriations.

(a) Establishment of Commission. A Commission on the Status of Women for the City and County of San Francisco is hereby created consisting of eleven (11) members.

(b) Appointment of Commissioners. The members of the Commission on the Status of Women shall be appointed by the Mayor from a list of qualified persons submitted to the Mayor by a Special Committee of the Board of Supervisors; provided, however, the Mayor may appoint persons who are already members of the Commission to successive terms. No appointment shall be made from a list which contains the names of fewer than five persons.

(c) Commissioner Appointment List. At the request of the Mayor, but at least annually, a list of persons qualified for appointment as members of the Commission shall be compiled by a Special Committee of the Board of Supervisors consisting of three members appointed by the President of the Board. This list shall contain the names of at least five persons qualified for appointment or twice the number of vacancies. The Commissioner appointment list shall be compiled in the following manner:

(1) The Clerk of the Board of Supervisors shall give at least 10 days public notice of a date by which applications for positions on the Commission should be filed with the Clerk of the Board of Supervisors, Room 235, City Hall. At a minimum, notice shall be given to organizations which request notice and through the media.

(2) To be eligible for appointment as a Commissioner, applications accompanied by the signatures of 15 persons shall be filed by or on behalf of each nominee by the date specified in the Clerk's notice. Each applicant shall have been a resident of the City and County for a period of at least five years and an elector thereof for at least one year immediately prior to the time of taking office. Each sponsor shall be a resident of the City and County at the time of signing the application.

(3) The file containing the applications for positions on the Commission shall be available for viewing by the public during business hours in the office of the Clerk of the Board of Supervisors for at least ten (10) days following the close of the filing period. During this time, members of the public shall have an opportunity to file written, signed statements in support of or in opposition to applicants.

(4) Within 30 days after the close of the filing period for positions on the Commission, the Special Committee shall compile a list of persons for appointment by the Mayor to the Commission. Only persons who have taken, or have demonstrated their interest in taking, an active part in fostering meaningful equality of opportunity for both women and men shall be included on the list.

(d) Terms of Office. The first appointments by the Mayor shall be made not later than 60 days after the effective date of this Chapter. Of the members first appointed, three shall serve for a term of one year, four shall serve for a term of two years, and four shall serve for a term of three years. The term of office of each Commissioner shall be determined by the drawing of lots at the first meeting of the Commission. Thereafter, members shall be appointed for a term of office of three years, except that all of the vacancies occurring during a term shall be filled for the unexpired term. A member shall hold office until a successor has been appointed and has qualified.

(e) Removal of Commissioners. Any Commissioner who misses three regularly scheduled meetings of the Commission in any twelve-month period without the express approval of 51 percent of the members of the Commission given at a regularly scheduled meeting shall be deemed to have resigned from the Commission.

(f) Chairperson. The members of the Commission shall elect a Chairperson from among the members of the Commission and the term of office for the Chairperson shall be for the calendar year or for that portion of it remaining after the Chairperson is designated or elected.

(g) Compensation. Upon adoption of a budget for the Commission on the Status of Women, the compensation for attendance at Commission meetings shall be Twenty Dollars ($20.00), inclusive of child care, for each meeting of the Commission actually attended by the member; provided, however, that no member shall be paid for attending more than two Commission meetings in any one calendar month.

(h) Coordinator. A Coordinator for the Commission shall be appointed by the Chairperson of the Commission with the approval of a majority of the members of the Commission. All staff personnel shall be under the immediate direction and supervision of the Coordinator, and subject to the Civil Service provisions of the Charter.

(i) Appropriations. The Board of Supervisors shall appropriate funds to compensate the members of the Commission for attendance at Commission meetings; to compensate the Coordinator; and to pay for such other personnel, services and facilities as may be reasonably necessary to enable the Commission to exercise its powers and perform its duties under this ordinance.

Sec. 33.4. Powers and Duties.

The Commission shall have the power and the duty to:

(a) Prepare and disseminate educational and informational material relative to the role that tradition and prejudice and the deprivation of equal opportunities in areas such as education and employment have played in keeping women of all races, creeds, ages, marital status and sexual orientation from developing their full individual potentials and from contributing fully to the cultural and economic life of the community.

(b) Hold public hearings on matters relevant to the general scope of the Commission.

(c) Review national, state and local legislation which may have an impact on the status of women and recommend to the Board of Supervisors positions on significant legislation affecting the status of women.

(d) Develop and maintain a Talent Bank of Women which can be used in a variety of ways, including but not limited to assisting the Civil Service Commission in recruiting qualified women to serve as members of qualifications appraisal boards, and the Commission on the

[illegible] qualified women for appointment by the Mayor to vacancies on boards and commissions of the City and County.

(e) Cooperate with and make recommendations to the Civil Service Commission in the development and implementation of programs and practices which have the purpose of furthering the objectives of this ordinance, including but not limited to recommendations regarding terminology used in job announcements, recruitment techniques, job qualifications, salary schedules, training and promotional practices.

(f) Encourage the Civil Service Department to recruit and implement employment of qualified women applicants for those positions filled through the Civil Service Department which traditionally employ few women.

(g) Study job categories which traditionally are filled primarily by women or primarily by men to determine whether the rate of compensation in the traditionally female jobs compares reasonably and favorably with the rate of compensation in the traditionally male jobs, taking into consideration the training, experience, mental and physical effort and responsibility required and the working conditions involved, and take necessary steps to implement equity.

(h) Study and make recommendations regarding the special employment problems of women stemming from the assignment to them of traditional roles such as responsibility for child rearing, including but not limited to the need for child care centers, on-the-job training and retraining for those who have been out of the employment market for extended periods and part-time employment opportunities.

(i) Cooperate with and make recommendations to law enforcement agencies and officials concerning the enforcement of laws which have a particular impact on women, including but not limited to laws relating to rape and prostitution.

(j) Cooperate with and make recommendations to the Community College District and to the San Francisco Unified School District on the development and implementation of programs and practices which have the purpose of furthering the objectives of this ordinance, including but not limited to recommendations concerning in-service training, sex-role stereotyping in textbooks and courses and methods of providing

role models for female students who may be interested in areas of employment not traditionally filled by women.

(k) Provide information, guidance and technical assistance to other public agencies and private persons, organizations and institutions engaged in activities and programs intended to eliminate prejudice and discrimination against women because of their status as women.

(l) To advise the Human Rights Commission on the form of the annual census of City employees and members of Boards and Commissions regarding sex, race, salary level, job classification and other statistical data, and to develop an analysis of the data in regard to the areas of concern to the Commission.

(m) Cooperate with and make written recommendations to the City and County agencies, boards and commissions and City officials regarding the development and implementation of programs and practices for the purpose of furthering the objectives of this ordinance.

(n) Investigate and mediate, at the request of a party and within the limitations of staff time and resources, all incidents of discrimination against women because of their status as women which are not within the exclusive jurisdiction of some federal or state agency or the Human Rights Commission, and make specific recommendations to the involved parties as to the methods for eliminating discrimination against women.

(o) Prepare, encourage and coordinate programs of voluntary action to reduce or eliminate existing inequalities and disadvantages in both the public and private sector resulting from prejudice, tradition and past discrimination.

Sec. 33.5. Cooperation with Other Groups and Individuals.

The Commission shall consult with and maintain contact with groups and individuals who are concerned with the status of women or who are primarily responsible for assuring equal opportunities for women.

Sec. 33.6. Meetings.

The Commission shall meet at least one evening each month. Special meetings can be called as needed with no less than 48 hours notice to all members and the public. All Commission meetings shall be open to the public.

Sec. 33.7. Rules and Regulations.

The Commission shall issue the necessary rules and regulations for the conduct of its business under this ordinance. The public shall have at least ten (10) days for comment on Commission rules and regulations before they are finally adopted by the Commission.

Sec. 33.8. Reports.

The Commission shall render written reports of its activities to the Mayor and the Board of Supervisors not less than once every six months.

Sec. 33.9. Availability of all Agendas, Minutes and Reports.

Agenda items for each Commission meeting shall be posted at least five days in advance of the meeting at the office of the Commission and at the Main Branch of the Public Library. Minutes of all meetings and the written report on Commission activities required under Section 33.8 shall be available for viewing by the public at the office of the Commission and at the Main Branch of the Public Library.

SECOND DRAFT
ORDINANCE NO. 62-75

AMENDING PART II, CHAPTER X, SAN FRANCISCO MUNICIPAL CODE (PUBLIC WORKS CODE) BY ADDING ARTICLE 4.3, SECTIONS 150.1 THROUGH 150.13, CODIFYING ORDINANCE NO. 450-73, AND AMENDING SECTIONS 5, 6, 8, 9, 10 AND 11, AND DELETING SECTION 13 THEREOF, RELATING TO LIENS FOR UNPAID WATER SERVICE CHARGES, COORDINATION OF LIEN PROCEDURES WITH SEWER SERVICE AND INDUSTRIAL WASTE LIENS, AND MAKING OTHER CLARIFYING CHANGES.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 4.3 is hereby added to Part II, Chapter X, San Francisco Municipal Code (Public Works Code) by amending and codifying Ordinance No. 450-73 to read as follows:

SEC. 150.1. Definitions. Unless the context otherwise specifies or requires, the terms defined in this section shall, for all purposes of this article, have the meanings herein specified, the following definitions to be equally applicable to both the singular and plural forms of any of the terms herein defined:

(a) The term "City" means the City and County of San Francisco;

(b) The term "Department" means the San Francisco Water Department;

(c) The term "Manager" means the General Manager and Chief Engineer of the San Francisco Water Department, or his authorized agents;

(d) The term "real property" means a lot or building thereon, or other facility, used or useful for commercial or industrial purposes, or for housing one or more persons in the City and County of San Francisco;

(e) The term "Commission" means the Public Utilities Commission of the City and County of San Francisco, or its designated agent;

(f) The term "owner" when used with reference to real property shall mean, and shall conclusively be deemed to be, the legal owner

of the real property; and

(g) The term "customer" means the accepted applicant for water service, as shown on department records.

SEC. 150.2. Owner Responsible for Water Service Charges. The owner of any real property, or his authorized agent, shall subscribe to and pay for water service to such real property by department in accordance with rate schedules and rules and regulations established from time to time by Commission.

Nothing in this section is intended to or shall prevent an arrangement or the continuance of any existing arrangement, pursuant to rules and regulations established by Commission, under which payments for water service are made by a customer, a tenant or tenants, or any agent, in behalf of owner, provided, however, that any such arrangement shall not relieve owner of the obligation to Department, where water service charges are unpaid.

SEC. 150.3. Department Entitled to Payment for Water Service. Department shall be entitled to payment for water service within fifteen (15) days after the bill is mailed. Should there be failure to make payment for water service rendered to any real property, water service to any such real property may be terminated, in accordance with rules and regulations established from time to time by Commission, until such water service charges are paid.

SEC. 150.4. Collection of Delinquent Water Service Charges as a Special Assessment Lien. Whether or not water service is shut off for nonpayment of charges, Manager may initiate proceedings to make delinquent water service charges a special assessment lien against the parcels of property to which said service was rendered, pursuant to Sections 150.5 to 150.11, inclusive, of this article.

SEC. 150.5. Lien Proceedings; Additional Request for Payment; Warning Notice. When the Department has rendered service and has

presented the owner, or the customer when the latter is not the owner, with a bill for such service on a continuing account, and such bill remains unpaid, Department shall mail to the owner an additional written request for payment upon expiration of not less than thirty (30) days following billing. In the case of accounts that are closed without payment in full the Department shall immediately upon such closing mail to the owner the additional written request for payment.

The additional written request for payment shall include information as to the amount due and a warning notice that if the amount due is not paid within thirty (30) days proceedings to establish a special assessment lien against the real property to which the service was furnished will be instituted, and if the lien is established and recorded, penalties and interest pursuant to this article will accrue. The form and content of said notice shall be approved by Manager.

SEC. 150.6. Lien Proceedings; Delinquent Accounts in Excess of One Hundred Dollars; Report and Notice. If payment is not received within thirty (30) days following mailing of the additional request the account shall be deemed to be delinquent. Delinquent accounts in excess of One Hundred Dollars ($100) which are to be subjected to the lien procedure shall be reported to Commission by Manager at least once each quarter. Said report for each such delinquent account shall contain the owner's name, the amount due, and a description of each parcel to be subjected to the lien procedure. The descriptions of the parcels shall be those used for the same parcels on the Assessor's map books for the current year. Upon receipt of such report, Commission shall fix a time, date and place for hearing the report and any protests or objections thereto, and shall cause notice of the hearing to be mailed to each owner of the parcels of real property described in the report not less than ten (10) days prior to the date of hearing.

SEC. 150.7. Hearing. At the time fixed for consideration of the report, Commission shall hear it with any objections of the owners of the parcels liable to be assessed for delinquent accounts. The Commission may make such revisions, corrections or modifications of the report as it may deem just; and in the event that the Commission is satisfied with the correctness of the report (as submitted or as revised, corrected or modified), it shall be confirmed. The decision of Commission on the report and on all protests or objections thereto shall be final and conclusive; provided, however, any delinquent account may be removed from the report by payment in full at any time prior to confirmation of the report. Commission shall cause the confirmed report to be verified in form sufficient to meet recording requirements.

SEC. 150.8. Lien Proceedings; Special Assessment Priority. Upon confirmation of the report by Commission, the delinquent charges contained therein shall constitute a special assessment against the property to which the services were rendered.

The assessment shall be subordinate to all existing special assessment liens previously imposed upon the property and paramount to all other liens except those for state, county and municipal taxes with which it shall be upon parity. The lien shall continue until the assessment and all interest and penalties due and payable thereon are paid. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to said special assessments.

SEC. 150.9. Recordation; Charges. Commission shall cause the confirmed and verified report to be recorded in the County Recorder's office as soon as practicable. The special assessment lien on each parcel of property described in said report shall carry additional charges for administrative expenses of Thirty-One Dollars ($31) or

ten percent (10%) of the amount owed, whichever is higher, and a rate of one percent (1%) per full month compounded monthly from the date of the recordation of the lien on all charges due. Provided, however, if a lien for either unpaid sewer service charges, or unpaid industrial waste charges, or both, are recorded and such liens and the lien created by this article are paid at the same time, said liens shall be deemed to be one lien for the purpose of determining additional charges under this section.

SEC. 150.10. Filing with Controller and Tax Collector; Distribution of Proceeds. Commission shall cause a certified copy of each confirmed report to be filed with the Controller and Tax Collector within ten (10) days after confirmation of the report, whereupon it shall be the duty of said officers to add the amount of said assessment to the current tax roll, thereafter said amount shall be collected at the same time and in the same manner as ordinary City and County taxes are collected, and shall be subject to the same procedure under foreclosure and sale in case of delinquency as provided for ordinary taxes of the City and County of San Francisco.

Except for the release of lien recording fee authorized in Section 150.11, all sums collected by the Tax Collector pursuant to this article shall be deposited to the credit of the Water Department operating account.

SEC. 150.11. Release of Lien; Recording Fee. On payment to the Tax Collector of the special assessment, the Tax Collector shall cause to be recorded a Release of Lien with the County Recorder, and from the sum collected pursuant to Section 150.9, shall pay to the County Recorder a recording fee of Six Dollars ($6.00); provided, however, if a lien for either unpaid sewer service charges, or unpaid industrial waste charges, or both, are to be released at the same time, the

Release of Lien shall encompass both such liens for the same fee.

SEC. 150.12. Manner of Giving Notices. Any notice required by this article to be given by the City, the Manager or Commission to an owner shall be sufficiently given or served upon the owner for all purposes hereunder if personally served upon the owner or if deposited, postage prepaid, in a post office letter box addressed in the name of the "owner" at the official address of the owner maintained by the Tax Collector of the City for the mailing of tax bills or, if no such address is available, to the owner at the address of the real property to which the water service was made.

SEC. 150.13. Severability. If any part or provision of this article, or application thereof, to any person or circumstance is held invalid, the remainder of this article, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end the provisions of this article are severable.

Be it Ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter VIII of the San Francisco Municipal Code (Police Code) is hereby amended by adding Article 10.1 thereto reading as follows:

SEC. 715. Definitions.

(a) "Person" is an individual, firm, partnership, joint adventure, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit, excepting the United States of America, the State of California, or any political subdivision thereof.

AMENDING PART II, CHAPTER V, SAN FRANCISCO MUNICIPAL CODE (HEALTH CODE) BY ADDING SECTION 41.5.1 THERETO, RELATING TO BITING DOGS, PROVIDING FOR IMPOUNDMENT AND DISPOSITION THEREOF, PRESCRIBING LIABILITY OF AND PENALTIES FOR OWNERS THEREOF; AND AMENDING SECTION 41.13 THEREOF.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter V, San Francisco Municipal Code (Health Code) is hereby amended by adding Section 41.5.1 thereto, reading as follows:

SEC. 41.5.1. Biting Dogs. For purposes of this Section (41.5.1) a biting dog shall be defined as follows: Any dog that bites any person or other animal in the City and County of San Francisco, provided, however, that the person or animal bitten was not at the time either provoking or teasing the dog without cause. For the purposes of this Section, the records of dog bites kept by the Department of Public Health shall be deemed official records and shall establish a rebuttable presumption of the number of bites recorded.

(a) i.) Upon the first reported and recorded bite by a dog, the Director of Public Health shall notify the owner of said dog that the dog's actions were wrongful and inform the owner by written public notice of the entirety of this Section and of the provisions of Section 41.12 herein.

ii.) In the event that a biting dog causes severe injuries to a person or other animal, the Director of Public Health may recommend that such dog be declared a menace to the public health and safety and he shall so inform the District Attorney by a written complaint. The District Attorney shall then bring said written complaint to the Municipal Court for a finding that the dog is a menace to the public health and safety. If the Court finds the dog

to be a menace to the public health and safety, the owner thereof shall be subject to the provisions of paragraph (c) of this Section, and upon order of the Court, the Animal Control Officer or a Police Officer shall impound, hold and humanely destroy the dog in accordance with the procedures of paragraph (c) of this Section.

(b) If a dog is reported and recorded by the Department of Public Health to have bitten any person or animal a second time within twelve consecutive months from the first bite, the owner of said dog shall be deemed guilty of an infraction and shall be punishable by a fine of not less than Twenty-Five Dollars ($25.00) nor more than Two Hundred Fifty Dollars ($250.00). The Director of Public Health shall inform the Police Department of the second bite of said dog and the Police Department shall issue a citation to the owner of said dog.

(c) If a dog is reported and recorded by the Department of Public Health to have bitten any person or animal within twelve consecutive months from said dog's second bite, the Director of Public Health shall recommend said dog be declared to be a menace to the public health and safety and shall so inform the District Attorney by a written complaint. The District Attorney shall then bring said written complaint to the Municipal Court for a finding that the dog is a menace to the public health and safety. If the Court finds the dog to be a menace to the public health and safety, the owner thereof shall be guilty of an infraction, and shall be punishable by a fine of not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00). Upon order of the Court, the Animal Control Officer or a Police Officer shall immediately impound the dog, and after a period of ten days from the time of impoundment, the dog shall be humanely destroyed unless the owner shows the Court good cause why said dog should not be destroyed.

Section 2. Part II, Chapter V, San Francisco Municipal Code (Health Code) is hereby amended by amending Section 41.13 thereof, to read as follows:

SEC. 41.13 Penalties. Any person violating any of the provisions of Sections 41.1 through 41.12, inclusive, of this Article, except the provisions of Sections 41.5.1, 41.11(c) and 41.12(a), shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than Five Hundred Dollars ($500.00) or by imprisonment in the County Jail for a period of not more than six (6) months, or by both such fine and imprisonment.
